

BIBLE IN A YEAR 2021

Let God speak to you every day this year

God's word is amazing. Hearing it can change your life. Why not explore it this year?

We've created this plan to help. It's full of variety to keep it fresh and to avoid getting bogged down in difficult bits. There is one passage every day, a balance of Old and New Testaments every week, and new books every month. You'll explore God's big story from different angles and you'll never be far from Jesus and how he brings this to life.

"The word of God is living and active..." (Hebrews 4:12)

So don't just take it in! Let each day's passage spark your thoughts and reactions, and get active in writing them down, sharing and acting on them.

The simplest way

Hear or read the daily passage and write down your headline thought about it

Go deeper, meet God and be moved

If you'd like to go from what you're thinking to how God might be guiding you, try answering these four questions every day:

1. What did I like about today's reading?
2. What did it show me about Father God, Jesus or the Holy Spirit?
3. What am I going to do differently as a result?
4. Who am I going to share this with?
