See tips below for treating Job, Psalms and Proverbs differently

WHAT IS THIS?

A way to split the Old Testament into 100 roughly even chunks. Each chunk takes about 40 minutes to listen to (at 1x speed). When you've heard them all, you've 100%-ed the Old Testament!

TOP TIPS

Listen instead of reading - the NIV UK with David Suchet is great. One chunk a day might be a grind, so treat it like a boxset and binge! This isn't "study" pace, but "let the road take you somewhere" pace. At some points, you might want to slow right down for a better look. And you might also want to treat some books differently...

JOB Best in one sitting if you can - 2 hours with drinks/popcorn?

PSALMS Maybe try a few per day with other things?

PROVERBS Like the Psalms - best in bits instead of together?
